

We're on a mission to provide proactive education about Utah's wildlife. We seek to minimize conflicts between people and animals and to foster wildlife-safety awareness.

## **BE AWARE**

Explore how wildlife and people interact.

## **SHARE**

Safely share our world with unique wildlife.

## **CARE**

Make a real difference for Utah's wildlife.

The first step to handling a confrontation is knowing the facts. Learn more about species — including their behaviors and habitats — and know who to call during a wildlife emergency.

Living and recreating in
Utah means that we share
our environment with an
abundance of unique wildlife. Taking a few simple
steps can help you prevent
many wildlife-related issues.

Get involved with our mission. Download tips and learn how to avoid conflicts with wildlife.

Share with friends, family and neighbors — you can make a real difference.
